

SPELLBINDERS FOR BOTH SIDES

Men Selected to Nominate
Bryan at Denver and
Taft at Chicago.

Washington, May 29.—It was stated today on reliable authority that I. J. Dunn, assistant city attorney of Omaha, Neb., will place William J. Bryan in nomination for the presidency at Denver. Among those who will second the nomination will be Representative J. Thomas Heflin of Alabama.

While no formal announcement has been made, it may be stated definitely that Representative Theodore Burton of Ohio will present the name of Secretary Taft to the Chicago convention. Representative Burton, since the institution of Secretary Taft's primary campaign, has been one of his closest friends and advisers, and is regarded as one of the best representatives of all that Secretary Taft stands for in the United States.

Will Rest in Virginia.

Mr. Burton will leave Washington in two or three days for Hot Springs, Va., to take a needed rest. While he is there he probably will prepare his address naming Secretary Taft. He will return to Washington before he leaves for Chicago to attend the convention. It is likely that he will go directly to Chicago from this city about June 12 or 13. Senator Dolliver of Iowa will make a second speech on Mr. Taft's nomination. Other seconding speeches will be delivered by George Knight of California; Senator Borah of Idaho, and probably by Senator Long of Kansas. While no definite announcement can be made at this time, it is generally accepted as a fact that Senator Hopkins will be the chairman of the committee on resolutions.

IN POLICE CIRCLES.

No complaint was filed against either J. W. Wooten, the alleged attorney, nor David Graham, who was victorious over the lawyer in an encounter on Main street Thursday evening. Both names were on the docket on a charge of fighting, but no complaint was sworn to against either. Graham evidently thought he secured satisfaction by the encounter, and perhaps Mr. Wooten cared for no further publicity of his method of practicing law. Patrolman William Hilton, who arrested both men, said he had no desire to prosecute them and the action was dismissed.

Two suits of clothing were stolen by burglars Thursday night from the room of Ed Harper at the Midland house.

Burglars entered the shoe store of W. H. Elliott, at Sixth West and North Temple, Thursday night and stole six pairs of shoes.

Fred Webb pleaded guilty in police court yesterday to a charge of discharging firearms in the city limits. Webb had been rifle shooting in the city cemetery. He will be sentenced Monday.

Mrs. F. L. Oswald and A. Fisher, alleged violators of the automobile speed ordinance, failed to appear in police court yesterday and forfeited the \$10 bail that each put up for appearance in court.

The case against Leonard Boutwell, who says he is the son of the late Governor John S. Boutwell of Massachusetts, will be tried Monday in police court. Attorney Newton appeared in court yesterday and asked permission to withdraw Boutwell's plea of guilty to the vagrancy charge, which was granted. He said that Boutwell was in Birmingham and would not return until Monday and asked that the case be set for trial on that date.

City Prosecutor E. A. Rogers yesterday morning issued a complaint for the arrest of John Winkler, who lives on Eleventh East street, between Sixth and Seventh South streets, charging him with striking Mrs. Nettie Larson, who lives next door to Winkler. The trouble between the two is said to have arisen from the fact that Mrs. Larson drove Winkler's chickens out of her yard.

Charles S. Holmes, charged with burglary, waived a preliminary hearing in police court yesterday and was held to the district court by Judge Diehl.

Memorial Day Observance in Salt Lake

Memorial Day will be observed in Salt Lake today in a manner befitting the occasion. It is the confident belief of the veterans of the Grand Army, who are chiefly interested in seeing to it that Memorial day claims the reverent attention of all thinking people.

Today's observance will begin early. The decoration of the graves of the dead, both those who gave their lives in sacrifice that the Union might live, and those who, in civil life, were men and women, and who left behind them loving ones. The parade of the veterans and the allied associations, always an imposing spectacle, will be the largest and most impressive in the history of the state, weather conditions permitting. The exercises at the Orpheum theatre will be of a character appropriate to the hour.

This day will mark the opening of the resorts about Salt Lake. Unquestionably thousands will go to this place or that in the afternoon for an afternoon's outing. There will be amusements in the way of sports and diversions of varied manner and kind during the day and evening. A partial list of the day's offerings:

8 a. m.—Services in all cemeteries.
9:30 a. m.—Assembling for parade.
10 a. m.—Parade to move from Third South and State streets.
11 a. m.—Grand Army memorial services in Orpheum theatre.
Afternoon—Exercises at Sandy, which will be attended by many of Salt Lake G. A. R. at special invitation.

Evening—Performances at theatres and dances at various resorts.
The sport schedule for today is:

10:30 a. m.—Bicycle race to Lagoon.
1 p. m.—Cricket at Liberty park.
1:30 p. m.—Trot vs. Stanford track and field meet at Cummings field.
2:30 p. m.—Baseball, Salt Lake vs. Ogden, Walker's field.
3:15 p. m.—Bicycle races at Salt Palace.
Lawn tennis at all the courts in the city.
Golf at Country club.

The street car service of Salt Lake will be doubled today for the Memorial day crowds. Extra cars will be run to the cemeteries before and after the ceremony of decorating the graves of the dead soldiers and the service to and from the depot will be continued throughout the day.

The railroad ticket offices will be open today from 9 o'clock in the morning until noon.

Barber shops will close at 1 o'clock; some of them will be closed all day.

Stores will be closed generally, and grocery stores and meat markets will close at 2:30 o'clock.

Banks will be closed all day.

State, county and city offices will be closed, and the federal building will at least observe a half holiday.

FOR MISS WILLIAMS.

Testimonial at Barratt Hall is Attended by Many Lovers of Music.

The testimonial concert in honor of Miss Minnie Williams at Barratt hall last evening was attended by many friends of that popular young soprano, as well as by many of those of Salt Lake's music lovers who do not enjoy her acquaintance.

The concert in every way was a success. Miss Williams herself was in splendid voice, and those who heard made the evening one of rare enjoyment.

Members of the tabernacle choir under the direction of Evan Stephens assisted, as well as a number of soloists, among whom were Mrs. Hallie Foster Sutherland, Hugh W. Douglas, Rosemary Glosz and M. J. B. Phillips, John D. Bowers, Melvin Peterson and Frank Sanford, gave a pleasing number.

Miss Williams expects soon to leave for Chicago, where she will continue her musical studies. The affair last evening was an unmistakable testimonial to the satisfaction by the encounter, and perhaps Mr. Wooten cared for no further publicity of his method of practicing law.

Patrolman William Hilton, who arrested both men, said he had no desire to prosecute them and the action was dismissed.

LA FOLLETTE CONDUCTING A FILIBUSTER

Continued From Page 1.

on the rules, and it was evident that if he gave up the floor he would have a hard time securing it again.

Mr. La Follette read at great length from a work of fiction on the subject of physical valuation of railways, occasionally calling for a quorum. He declared that he would be able to make himself heard, "not only tonight, but tomorrow as well."

Galleries Crowded.

The chamber was crowded as the evening session wore on. The galleries, with the exception of the sections reserved for the senators' families and for the diplomatic corps, also were crowded.

At 8:30 o'clock Senator Stone of Missouri called for a quorum, and left the capitol for his hotel soon after making his point, saying it was necessary to secure some sleep before beginning his promised speech.

At 9:30 o'clock Senator Gore called for a quorum, remarking that it was evident there was a lack of the required number of senators.

"Anybody can see that," said the senator from Wisconsin, turning to the blind senator.

Senator's Severe Test.

The vigor and resources of Mr. La Follette were probably never more severely tested than they were tonight. At 10:30 o'clock he was in better voice and was speaking with more vehemence than had characterized his remarks at 3 o'clock. He was also making more attempts at presenting an argument than he had done during the day. Evidently it was not his purpose to devote his remarks to the merits of the currency bill exclusively. He touched upon what he characterized a threat to defeat the public building bill in case the currency bill did not become a law, and discussed the tariff and other public questions.

The Greek letter men decided to give a smother next fall and another banquet next spring.

Members of the tabernacle choir under the direction of Evan Stephens assisted, as well as a number of soloists, among whom were Mrs. Hallie Foster Sutherland, Hugh W. Douglas, Rosemary Glosz and M. J. B. Phillips, John D. Bowers, Melvin Peterson and Frank Sanford, gave a pleasing number.

Stone, who is slated to relieve Mr. La Follette under the latter's program. A policeman was started for the Raleigh hotel at 11:15 o'clock to arrest him.

The first senator to appear in response to the summons was Mr. Owen of Oklahoma. He bore every evidence of having been routed out of bed, but without necktie or collar and his shoes were unlaced.

At 3:30 o'clock the senate was still waiting for a quorum of the vote to Mr. La Follette's appeal on the table.

At 3:40 a. m. a quorum appeared. The appeal was laid on the table and Senator La Follette resumed his remarks after having secured an hour's rest by his move.

No Quorum at 3 a. m.

Washington, May 30.—At 2:30 a. m. Senator La Follette insisted on a roll call on his point of no quorum. The chair sustained his previous ruling that the call under the rule could not be ordered, and from that decision Mr. La Follette appealed. Mr. Aldrich was prompt to move to lay the appeal on the table. A number of Democrats refused to vote, and Mr. Aldrich insisted that they should be required to do so.

The vote disclosed several short of a quorum and absentees were notified. At 2 o'clock this morning no quorum had been obtained.

ONLY EIGHTEEN PRESENT.

House Could Not Muster a Quorum for Night Session.

Washington, May 29.—The situation in the senate on the currency question, combined with the impossibility of disposing of further business, caused the house at 2:30 today to take a recess until 7 o'clock tonight. With the greatest difficulty a quorum was maintained, a large number of members already having left the city. A bill was passed providing for making allotments on the Fort Peck Indian reservation, Montana, and a lot of miscellaneous business was transacted, being mostly disagreements to make amendments to minor bills.

Up to the time of taking the recess the Democrats had forced five roll calls. But eighteen members were in their seats when the house reconvened. After an hour's wait for a quorum to appear, during which time the roll call of members of the senate was taken, the house adjourned until 11 a. m. tomorrow.
